Cutlery Napkin Pocket

Seeking a ready-to-go and hygienic touch for your tabletop?

Introducing our latest cutlery napkin pocket sleeves – the perfect solution. Equipped with a napkin, simply slip the required cutlery into the pocket, store and your customers are ready to go!

Minimize excess by providing customers with precisely the utensils they require, rather than an entire set.

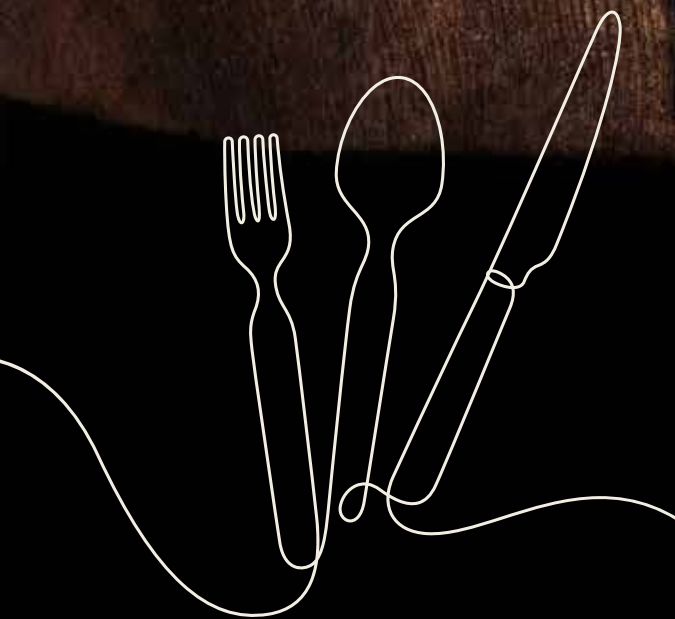

Giving you the confidence of making an environmentally responsible choice, our napkin and cutlery napkin pocket sleeve are made from FSC® certified forests and other controlled sources.

“

Napkin Pocket Sleeve

Maintaining presentation and application standards: the napkin is securely placed during production, shielded from contamination, the surroundings and unnecessary contact. ”
