

MULTI PURPOSE CLEANING CLOTH (MPCC)

Ideal for

- Kitchen Cleaning
- Tea Towel Replacement
- Wiping Bench Tops
- Cleaning Confined Spaces
- Replacement for laundered tea towels

Features and Benefits

- HACCP approved and suitable for food contact surfaces
- Tough, soft and durable. Use wet or dry
- Cost efficient removal of surface contaminants
- Consistent sheet size, shape and quality

MPCC Multi Purpose Cleaning Cloths are strong and absorbent, and suitable for a range of cleaning applications.

An economical solution with excellent wet strength and durability, these disposable cloths help to reduce the risk of cross contamination compared to reusable unhygienic tea towels.
